

DEDICATION

I dedicate this project to God Almighty my creator, my source, wisdom, inspiration knowledge and understanding. He has been the source of strength throughout this research work. I dedicate my dissertation work to my family and all my colleagues. A special feeling of gratitude to my respected parents, whose words of encouragement has always been a source of inspiration. My brother for all the technical help in the field of computer. My beloved wife and my son who has inspire me to work harder and has never left my side in times of adversities. I also dedicate this dissertation to my guide Prof. Alaka Desai Sarma, Dean student welfare, who have supported me throughout the process.

I feel indebted to all those respondents who have spent their precious time in providing me with the required information

I would also like to thank all those persons whose co operation, suggestion and heartfelt support paved my way to accomplish and make my project successful.
