

FIGURE	LIST OF FIGURES AND GRAPHS	PAGE NO.
1	Conceptual framework.	11
2	Schematic representation of research plan	33
3	Schematic representation of research design	34
4	Schematic representation of quasi-experimental design	34
5	Distribution of mean age in control and experimental group	40
6	Distribution of marital status in control and experimental groups	44
7	Distribution of education qualification in control and experimental groups	45
8	Distribution of occupational status in control and experimental groups	46
9	Distribution of income status in control and experimental groups	47
10	Distribution of religion status in control and experimental groups	48
11	Frequency distribution of AUDIT variables in control and experimental groups	51
12	The baseline mean score of control and experimental group	54
13	Mean anxiety score of the control and experimental groups at the baseline and endpoint	57
14	Mean depression score of control and experimental groups at the baseline and endpoint	59
15	Mean stress score of control and experimental groups at the baseline and endpoint	61

16	Mean AUQ score of control and experimental groups at the baseline and endpoint	63
----	--	----

Appendix	LIST OF APPENDICES	PAGE NO.
A	Letter seeking permission to conduct research study	92
B	Granting permission to conduct research study	93
C	Consent form	94 - 95
D	Demographic Variables (Part-I)	96- 100
	Alcohol Use Disorder Identification Questionnaire (Part-II)	
E	Depression Anxiety Stress Scales	101-103
F	Alcohol Urge Questionnaire	104
G	Map of Nagaland	105
H	Map of Kohima	106
I	Certificate of Anti-Plagiarism	107
